RE: ***Pleural fluid chemistry tests***

We are pleased to announce that effective Monday (22 August 2022), Kent laboratory will start performing pleural fluid testing for albumin, amylase, cholesterol, glucose, total protein, triglycerides, and LDH. The turn-around time will be within 2 hours.

If you have any questions, please contact Lili Castano (phone number: 401-737-7000, ext. 31332; email: lcastano@kentri.org).

Thank you for your attention.
